## LET THEM KNOW . . .

Did you realize that radio programs depend upon listener response to help them determine their effectiveness on KLHT Radio? That's right...it's **your feedback** that helps to keep radio programs on KLHT Radio. The contact information for each radio ministry in this program guide is for that very purpose! Please take a moment to contact them with an encouraging phone call, letter or e-mail & let them know that you are listening & how they are impacting your life. ...And please be sure to mention that you're listening to them on **KLHT Honolulu**. Thank you for your participation!

“So faith comes from hearing and hearing by the word of Christ.”
